

CTWWA MEETING NOTES

January 25, 2022

In Person Meeting @ Chuck's

Meeting called to order @ 7:40 pm

- **SECRETARY REPORT:**
 - Minutes accepted from 11/23/21 meeting
- **TREASURER REPORT:**
 - All bills paid and accounts current
- **CORRESPONDENCE:**
 - No report
- **LEGISLATIVE UPDATE:**
 - Proposed Well Drilling & Geothermal regulations at the Governor's office and public comment period ended 11/22/21----no new updates
 - No updates regarding Private Well Task Force or Code Advisory Committee
- **OLD BUSINESS:**
 - Spring workshop----still need speakers
 - No updates on PFAS or Sodium/Chloride issues
 - Regional Water Authority and York Lab (Newtown, CT) now testing for PFAS in CT
 - Wastewater disposal system issue---Steve Knauf to bring up with CEHA
- **NEW BUSINESS:**
 - Spring workshop----discussed need for spring workshop for J1's and operators to get CEU's for 2022
 - Richard Mest scheduled as speaker for 3/9/22. Bob to follow up and see if that date will still work. Will need more speakers.
----may be conflict with EWQA convention (3/9 – 3/10/22)???
 - Need to find venue, plan food, etc.
 - "J" license training and education update----State fired all the teachers that were not vaccinated, resulting in all classes being cancelled mid-semester in the fall of 2021
 - Only education option is Penn Foster at this time
 - Will classes be offered through the state spring 2022?
- **RAFFLE:** None

Meeting adjourned at 8:20 pm
