Meeting called to order @ 6:15 pm

➤ SECRETARY REPORT:

- The minutes were accepted from 3/23/21 meeting.

➤ TREASURER REPORT:

- No report

➤ CORRESPONDENCE:

- No report

➤ LEGISLATIVE UPDATE:

- Discussed proposed bill SB1031 re: Green Snow Pro program and road salts
 - Bill did not pass---DEEP and local health departments do not have resources (\$ and staff) to oversee
 - The program is still voluntary for towns to participate in through UConn

➤ OLD BUSINESS:

- In the process of getting new contact at DEEP to re-visit the water treatment wastewater discharge issue and draining to surface
 - Paul to follow up with DEEP contact
- Geothermal regulations---need to follow up

➤ NEW BUSINESS:

- Working on training program for J2 licenses
 - Paul has been in touch with Penn Foster
 - Exploring idea of a "water treatment only" license, and then working up to licensure for pump work
 - Need help with training----possibly integrate vendor provided training (i.e., Goulds for pumps)??
 - Goal is to offer virtual training----Google Classroom???
- Well drilling reports now on-line
 - GPS coordinates needed
 - Need to record more information on rock type

- Planning fall workshop for J license CE credits----to be in person
