

CTWWA MEETING NOTES

April 23, 2019

Meeting called to order at 7:25 pm

- GUEST SPEAKER:
 - No Report
- SECRETARY REPORT:
 - The minutes were accepted.
 - Review of website noted changes can be made to lessen monthly charge.
- TREASURER REPORT:
 - All bills paid.
- CORRESPONDENCE:
 - Proposed new well guidelines from DPH
 - Discussion if CTWWA should hire an attorney during Regulation Review
- LEGISLATIVE UPDATE:
 - No Update
- OLD BUSINESS:
 - Winter workshop was successful – continued discussion of credit hours offered for workshops, Fall workshop speakers from DPH (radon) and DEEP (P-Fas) possibilities
 - Discussion on becoming a training provider
 - Plumbing licenses were audited, 2600 J1 & J2 licenses were fined, \$230,000 collected so far
- NEW BUSINESS:
 - Larry and Earl were invited for a panel review for exam classifications for geothermal drilling (W7 – W 10), panel included Plumbing and Piping member and 2 Union 777 reps.
 - Scholarship – CTWWA received one application to date
 - Proposed new well guidelines from DPH
 - Private Well Taskforce Meeting 4/23/19 at Chrysalis Center
 - DPH added back into the regs: separating protective variance, registered letters sent to neighbors, permit every well pump for new and replacements; Semi-Public water system
 - CWWA Apprenticeship Program
 - Plumbers Union 777 would be available to help with training for license holders
 - P-Fas Testing – No EPA mandates yet, but they are coming -- CT adopted 70 ppt.
 - State of CT will not purchase machine to test for P-Fas; Regional Water Authority only lab that can test for it, let RWA collect sample.
- RAFFLE: No Raffle done

Thank you to Paul from Dan Davis Sales and Cory from Worthington Company for buying dinner for everyone!
